我想成為愛莎女皇
I wish to be Queen Elsa
Kayley, 7
急性淋巴性白血病
Acute Lymphoblastic
Leukemia

成為女皇的一天 A day in life of Queen Elsa

每個女仔心中都有一個公主夢，Kayley的願望就是成為冰雪奇緣中的愛莎女皇。願望日當日，Kayley穿著高貴優雅的愛莎裙，與屋企人一起到樂園，漂亮的Kayley頓時成為全場焦點。

相信願望 就會成真!

之後，Kayley到魔法化妝廳準備進行大變身，見到琳琅滿目的公主裙和飾品，Kayley興奮地左右挑選，花一段時間先搵到心目中的裙：一條閃亮雪白的愛莎裙！然後，仙女教母實習生揮揮魔法棒，Kayley便變成小愛莎女皇。

Every girl has dreamed to be a princess at heart. Kayley's Wish was to become Queen Elsa from Frozen. To fulfill her Wish, the Wish Team decided to bring her over to Disneyland.

Kayley was accompanied by her family on her Wish Day. She wore an elegant Elsa dress that was exceptionally eye-catching.

Keep On Believing! Your Wish Will Come True

Kayley visited the Bibbidi Bobbidi Boutique to dress up. The room was filled with a dazzling array of princess dresses and accessories, making it a grueling task for Kayley to choose her most desired dress. Once the Fairy Godmother-in-Training waved her magical wand, Kayley immediately transformed into little Queen Elsa with her new shiny snowy white Elsa dress.

與真正愛莎女皇見面

同時，願望團隊跟迪士尼悄悄地準備了一個驚喜。當 Kayley 打開化妝廳的門，她見到真正的愛莎女皇在迎接自己。雖然 Kayley 帶點緊張害羞，但她很開心可以看見真正的愛莎女皇，更與她合照留念。

Kayley 媽媽最後與我們分享，Kayley 實現願望時的表情對媽媽來說，是最難忘及寶貴的。

Meet And Greet The One And Only Queen Elsa

Meanwhile, the Wish Team and the Disney team prepared a secret surprise on the other side of the door. When Kayley stepped out of the dressing room, she was greeted by the one and only Queen Elsa. Although Kayley was a little nervous, she was extremely gleeful to have met Queen Elsa and to take many photos with her.

Lastly, the team was so pleased to learn from Kayley's mother, that the delightful wish-come-true experience of her little girl means more than anything on earth to them.

「賽馬會願望樂園計劃」幫助 Kayley 願望成真，此計劃由香港賽馬會慈善信托基金捐助。

Kayley's Wish has been fulfilled by the support of Jockey Club Wish Planet Project, which is funded by The Hong Kong Jockey Club.

我想與阿神見面
I wish to meet Kouki
Easion, 11
梭形細胞橫紋肌肉瘤
Spindle Cell
Rhabdomyosarcoma

跨越至台灣的會面 Delightful Meeting With Kouki

由Easion申請願望開始，願望團隊便開始和他接觸，希望好好準備他的願望。在Easion 2021年生日的當天，願望團隊和他一起去買生日禮物，希望Easion能在願望團隊的陪伴下有一個愉快難忘的生日，共同建立美好的回憶。願望團隊也和Easion一起聊天，藉此了解他的喜好，希望幫他找到自己想要實現的願望。經過數節願望捕捉，Easion告訴願望團隊他想要實踐的願望：他平時在Youtube都有看台灣遊戲實況主阿神玩Minecraft的影片，所以很想和阿神會面。

願望團隊聽到Easion這個願望後，便和他一起構思願望的詳細內容，例如有甚麼問題想在見面時問阿神、有甚麼活動想和阿神一起做等等。Easion為此也很積極地準備，為了和阿神一起玩遊戲，他下載了Minecraft作好準備。願望團隊同一時間也透過台灣願望團隊聯絡了阿神，因為阿神在台灣，所以和Easion的見面會以視像形式舉行，並決定約在Easion考完試後見面，希望他在考試後可以好好慶祝一番。

當天，Easion正如所期待般和阿神見面，他們一起玩了四個遊戲，當中包括可愛又富有挑戰性的方塊躲貓貓。看到Easion投入的神情，主動和自己的偶像對答，有時更聽到他歡樂的笑聲，願望團隊和Easion媽媽都很感恩。

願望之後，Easion媽媽向我們分享：「讓Easion自己選擇願望，對他來說是十分重要的，這樣才能讓他確實地感受到自己願望成真的喜悅。」透過實現小朋友心中最閃亮的願望，為他們帶來無與倫比的快樂，正正也是團隊一直堅持的理念。

On Easion's birthday, the Wish Team wanted to ensure he had the most happy and unforgettable birthday experience. The Wish Team took him out to buy birthday gifts, and accompanied him throughout the day. Along the day, the Wish Team has been trying to identify his one true Wish. After several Wish Catching sessions, an idea sparked in Easion's mind - to meet one of his favorite YouTubers Kouki who often plays Minecraft and a variety of different video games.

Before his Wish Day, the Wish Team gave some tasks for Easion to complete, such as preparing questions he would like to ask Kouki, and activities he would like to join hands with Kouki to take part in. The Wish Team simultaneously

contacted Kouki via the Make-A-Wish Taiwan team to prepare for the online meet up, which was to be held as Easion's post-exam celebration.

On his Wish day, Easion e-met Kouki. They played multiple games together including mini games on Minecraft. The Wish Team and Easion's mom were extremely grateful to witness the joy and hope a Wish has brought to Easion. Easion's mother shared with us, "Letting Easion independently choose his Wish was extremely significant, it allowed him to really own and feel the joy of his Wish came true."

鳴謝：喜願及阿神

為我打氣的願望

A Wish that Keeps Me Going

我想擁有一部Macbook Air
I wish to have a
Macbook Air
玥玥 Yuet, 8,
肝母細胞瘤
Hepatoblastoma

開朗可愛的玥玥在第一次願望捕捉的時候，已贏盡願望團隊的歡心。現在她仍然正在接受治療，她很樂意分享自己各種的喜好，例如她的偶像是Mirror成員之一Edan，並會追看所有他有份演出的綜藝節目。我們更和她一起玩綜藝節目其中一個小遊戲-大門模仿動物叫聲的演技。

我的願望

玥玥的願望與上學相關，她是好學的小女孩，但因為她的電腦壞了，所以她希望可以有一部 MacBook Air，方便上課。此外，我們亦額外準備了一對耳機，讓她不再和家姐輪流使用同一對耳機，上網課時亦不會騷擾到對方。

一邊興奮期待 一邊給我勇氣

當玥玥知道自己的願望會成真，她顯得十分雀躍，她更藉這個願望為自己打氣，因為願望團隊答應她，與她好好慶祝！

願望日當天，雖然因疫情的關係未能相處太長時間，但玥玥收到自己期待已久的願望十分開心，她亦希望願望團隊的哥哥姐姐以後能夠再次和她聊天、玩遊戲！沒問題！我們一於約定你！

*願望日後，玥玥媽媽向願望團隊分享她十分喜愛其中一份小禮物：願望熊！玥玥更用餅乾罐為小熊製作了一張床呢！

Yuet has won the hearts of the Wish Team with her cheerful and adorable personality since we first met. Even though she is now undergoing medical treatment, she is willing to share her hobbies and interests with us. For example, her idol is Edan from Mirror; and she will watch all his reality shows. We even played one of the games from the reality show together - learning how to act and imitate the sound of different animals.

My Wish

Yuet's wish is related to her studies. She is fond of learning and wishes to have a new MacBook Air to replace her old one to attend e-classes. Apart from the laptop, we also bought a new pair of earphones for her so that she will not need to share the same pair with her sister and to keep each other undisturbed during online learning.

Getting Excited and Encouraged

When Yuet knows that her Wish has come true, she gets really excited. This Wish has become her motivation and our Wish Team has promised to celebrate with her.

On the Wish Day, Yuet felt very happy to have her long-awaited Wish come true. Even though the Wish Team could not spend much time with Yuet due to COVID restriction, she hoped that the Wish Team could chat and play games with her again in the future. We certainly look forward to meeting with Yuet again!

*After the Wish Day, Yuet's mother shared with the Wish Team one of her favorite presents - the Wish Bear. Yuet even made a bed for the bear with a recycled biscuit tin!

「賽馬會願望樂園計劃」- 工作坊參加者的分享

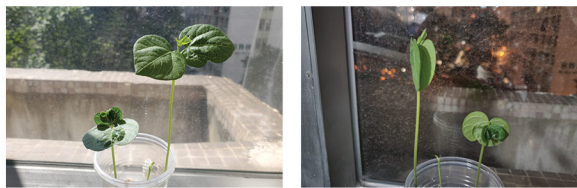

Jockey Club Wish Planet Project - Sharing from our Workshop Participants

在過去九個月內，我們已經為香港兒童醫院的病童舉辦了共76節線上願望樂園工作坊，服務共750人次，為參加工作坊的病童和家長帶來積極正面的影響。讓我們聽聽參加者的分享：

「森林工作坊」：一步步，邁向正面的改變

以園藝結合繪本故事和手作的「森林工作坊」是一個讓Edith學習表達自己的地方。

「參加工作坊的過程中，看到Edith鼓起勇氣在小組分享；看到她在工作坊完結後，仍主動留下來把手工完成…這些小小的體驗，相信正讓她一步一步，變得更加獨立。在抗疫期間，這些學習體驗，既有意義又難得。」-- Edith媽媽

Edith與她的媽媽發現葉子在日與夜的改變，並拍下照片，於工作坊中分享。

Edith and her mother discovered the change in leaves during day and night. They took photos and shared them at the workshop.

「探索大自然音樂之旅」- 屬於每一位的音樂

昕穎是探索大自然音樂之旅的參加者。媽媽提到，雖然昕穎聽力不佳，但是她仍很享受在工作坊中，能夠接觸和敲打不同的樂器，並在音樂治療師帶領下舞動身體，感受音樂節奏。

「治療師尊重每位小朋友不同的特質與個性，然後會透過各種有趣的音樂遊戲與小朋友互動。工作坊鼓勵參加者投入參與，真的為昕穎帶來另類的體驗。」--昕穎媽媽

我們很高興聽到家長的分享，了解活動的體驗如何令小朋友感到更有力量、放鬆心情、並對自己的能力更有信心。願望團隊會繼續藉着此計劃以及植物與大自然的生命力，啟發小朋友勇敢面對病情和逆境。

Over the past 9 months, we have organized 76 online Wish Planet Workshop sessions for child patients of Hong Kong Children's Hospital, with a total 750 attendance. The workshops have created positive impacts for child patients and their parents. Let's hear what our participants say...

The Jungle Crafts: Baby steps to positive change

For Edith, this workshop incorporating horticulture elements, storytelling and art & craft activity is a place where she learnt to express herself.

"It is small experiences like these: when Edith gathered up all her courage to talk in front of the group on Zoom, when she was taking the initiative to stay after the workshop to finish the craft..., that is telling me that she is one step further to become more independent. These are such rare and meaningful learning experiences during the pandemic." - Edith's mother

Edith 分享她的手作「森林願望瓶」的相片。

Edith shared a photo of her craft "Jungle Wish Jar".

Music of Nature: Music for all

Seren is a music workshop participant. Her mother said that although Seren has difficulties in hearing, she still enjoyed the workshop through touching and playing with musical instruments, and following the music therapist to move her body to feel the music rhythm.

"The therapist respects the uniqueness of each child and interacts with them through various fun music games. This online workshop encouraged children's participation, which truly brought a different type of experience for Seren." - Seren's mother

We are grateful to hear these sharing from parents, learning about how the experience makes children feel uplifted, relaxed and empowered. Our team will continue to inspire children with the courage to face illnesses and adversity through the Project with the healing power of plants and nature.

Make-A-Wish Hong Kong organized two virtual Christmas Parties in December. Together with over 60 Wish Children and their family members, as well as volunteers, we had a golly, jolly good time in Santa's Village.

Before the party, all children received a party pack filled with toys and cute accessories, so they can dress-up for Christmas and join the party in high spirit. In Santa's village, children and their families visited different game stations and had fun with the Wish team and volunteers. They also made a dazzling Christmas Wreath together, which made their home brimmed with festive cheer. Towards the end of the party, there was a Big Surprise! The head of the Santa's Village showed up playing the Bingo Draw, singing Christmas carols and celebrating this special time of the year with the participants.

Our special thanks to a group of passionate volunteers who dressed as Santa and rode on lovely Christmas Vespa scooters to deliver Christmas party gift packs to participants around Hong Kong. The Wish Team and all volunteers were delighted to spread Hope, Strength and Joy to our Wish Children and their families during Christmas!

「一個願望，成就了萬千的願望旅程」

One Wish that creates a movement of transforming millions of lives

1980年，一位患了白血病的7歲美國男孩Christopher James Greicius在4月29日願望成真。曾經協助這位小男孩的熱心人士，希望其他患重病的兒童同樣分享願望成真的喜悅，於是在同年成立國際「願望成真基金」，並自1998年起，把4月29日定為世界願望日，並定立4月為願望月。

今年願望月與願望童同行，分享更多願望故事，讓社區充滿願望的力量！

In 1980, 7-year-old Christopher James Greicius, afflicted with leukemia, had his Wish come true on April 29. Those who granted the boy's Wish hoped that other children with critical illnesses could also experience life-changing moments. And so they set up Make-A-Wish. Since 1998, Make-A-Wish International has dedicated April 29 as the World Wish Day and April as Wish Month.

Be there for our Wish Children this April! Join us to share the Wish stories and spread the power of a Wish to our community!
