CHAIRPERSON'S MESSAGE

讓堅持與信念，成就更多不可能願望

每一個願望的實現，都是一次愛的凝聚與生命的蛻變。能夠於2026年接任主席一職，帶領願望成真基金的團隊，我深感榮幸，亦自覺責任重大。

我與基金的淵源始於十多年前，當時首次接觸基金的使命，便深受其理念打動。2024年，我獲邀加入夥伴關係委員會，親身參與並見證願望歷程如何為重病兒童及其家庭帶來跨越逆境的力量。這份感動驅使我接下重任，我將帶領團隊以無比的熱忱與堅定的信念，推動基金持續穩健發展。

基金多年來建立的堅實根基，令過去遇到不穩的經濟環境中，仍能在逆風中寫下歷史——2025年全年成功實現 **132 個願望**，並透過定期病房探訪與工作坊，惠及超過**1,100人次**的病童、家長和醫護人員。

這些寶貴的成果離不開醫護人員的轉介、義工的無私付出、捐款人與企業夥伴的慷慨支持，以及機構團隊上下一心的努力。面對變幻莫測的外在環境，我們始終秉持審慎理財原則與敏捷應變能力，竭盡所能善用每一分善款，為病童築起最堅固的後盾。

展望未來，我們已正式制定**「2026-2030五年策略規劃」**，以更前瞻的佈局擴大服務覆蓋率。我們將繼續凝聚社會力量，讓更多重病兒童得到改寫生命的圓夢機會。感謝你們一路相伴，未來讓我們繼續同行，點亮更多希望的光芒！

Charting a New Chapter of Wishes with Resilience and Faith

Every wish granted brings together love and transforms a life. It is my profound honor, as well as a great responsibility, to take on the role of Chairperson in 2026 and lead the dedicated team at Make-A-Wish Hong Kong.

My connection with Make-A-Wish began over a decade ago when I first encountered its mission and was deeply moved by its philosophy. In 2024, I was invited to join the Partnership Development Committee, where I personally participated in and witnessed how the Wish Journey empowers children with critical illnesses and their families to overcome adversity. Now, assuming the role of Chairperson, I am committed to leading our team with immense passion and unwavering conviction to drive the Foundation's sustainable and steady growth.

The solid foundation built over the years enabled us, even amidst an uncertain economic climate, to make history against the headwinds—successfully granting **132 wishes** over the year and reaching over **1,100 attendances** of Wish Children, parents, and healthcare professionals through regular ward visits and workshops in 2025.

These achievements rely entirely on the trust of referring healthcare professionals, the selfless dedication of our volunteers, the generosity of our donors and corporate partners, and the unified commitment of our team. In the face of an ever-changing external environment, we remain steadfast in prudent financial stewardship, ensuring every donation is maximized to build a resilient support system for our Wish Children.

Looking to the future, we have developed our **"2026-2030 5-Year Strategic Plan"** to set a clear path to reach even more families in need. We will continue to unite community support so that every child facing a critical illness has the opportunity to experience a life-changing wish. Thank you for walking alongside us on this journey—together, let us continue to light up our children's lives with hope!

願望歷程
WISH JOURNEY

「願望歷程」是我們為每個孩子實現願望的過程，亦是令願望成真基金的願望體驗如此獨一無二的核心所在。

The Wish Journey is how we bring every child's wish to life and is part of what makes a Make-A-Wish wish so unique.

願望捕捉
WISH CATCHING

願望捕獲就像在天上眾多的繁星中，把最光最大的星星摘下來，我們會陪伴小朋友和家人去找尋這個最真摯的願望。

The Wish Team visits the child to uncover what the child's most cherished Wish is.

願望設計
WISH DESIGN

有了願望後，願望團隊會鼓勵小朋友發揮想像，讓病童從參與願望設計的過程中重獲自主權、重新相信自己可以為自己的人生做決定。

Every child's imagination is unique, so we design each journey to create an extraordinary experience that stays true to the child's cherished Wish.

期待願望
WISH ANTICIPATION

期待願望日的來臨，這將為小朋友帶來超級動力，鼓勵他們勇敢面對病情和逆境，放下病患憂慮，為生活帶來正能量。

This can be as powerful as the Wish itself. It builds the excitement and it empowers the child to face challenges by actively involving them in the creation of their Wish.

願望日
WISH DAY

在願望日，我們會與小朋友和家人一起經歷，見證憑著各人的努力，將不可能變成可能，讓大家一同感受當中的希望、力量和快樂。

Fulfilling a Wish beyond a child's wildest imagination. We turn the impossible to possible with our Wish Children and their families and create hope, strength and joy on the Wish Day.

願望之後
WISH IMPACT

願望將為病童和家人帶來難忘的家庭回憶，鼓勵他們未來無論遇到甚麼困難，也能迎難而。更難得的是，在歷程中感受到旁人的支持和幫助後，不少願望童都深受啟發，希望自己也能把助人的種子散播開去，以生命影響生命。

The positive impact of a Wish lasts long after the Wish is granted and spreads to everyone involved in the Wish Journey. A Wish also inspires our Wish Children to offer their helping hands to the needy.

「我要成為主角！」— 熬過4次移植，她與米奇並肩閃耀舞台

"I WANT TO BE THE MAIN CHARACTER!" — AFTER ENDURING 4 TRANSPLANTS, SHE SHINES ON STAGE SIDE-BY-SIDE WITH MICKEY

懿晨父母的感動分享
Heartfelt Words from Yee Sun's Parents

I Want to Be the Next Main Character!

During her treatment, the stage performance of *Mickey and the Wondrous Book* at Hong Kong Disneyland (HKDL) became her ultimate source of courage and hope against her critical illness. Whenever Mickey Mouse asked at the end of the show, "Who will open the book next? Who has the heart of a storybook hero? Could it be you?", Yee Sun would always raise her little hand with immense excitement, longing to be the lucky one invited onto the stage by Mickey.

Yee Sun's greatest wish was to step onto that very stage, perform side-by-side with Mickey, and become a part of the live performance—realizing her wish in the most enchanting way!

A Stage Dream Woven with Dedication and Professionalism

The Wish Team worked closely with HKDL to create a one-of-a-kind Wish Journey tailored specifically for Yee Sun. In the month leading up to her Wish Day, Yee Sun practiced her choreography and lines diligently every single day. Dressed in a specially designed costume created by the resort's Costuming team and treated to a magical makeover and hairstyling in Bibbidi Bobbidi Boutique, Yee Sun was immersed into the show through her experience as a stage performer.

Radiant Confidence Witnessed by Thousands

On her Wish Day, witnessed by nearly a thousand guests, Yee Sun confidently stepped onto the stage and danced side-by-side with Mickey Mouse. After the spectacular performance, Yee Sun beamed with excitement: "I was nervous and excited at the same time, facing such a large audience. I'm so happy my wish came true!"

Yee Sun's parents shared touchingly: **"We are overjoyed to see Yee Sun realize her wish. This performance will be an unforgettable memory for her and a wonderful boost to her confidence."**

Watching Yee Sun radiate a confident, dazzling smile as waves of cheers echoed through the theatre, everyone present was deeply moved by her incredible growth and transformation. This is truly the life-changing power of a wish!

A WISH BEYOND MEDICAL BARRIERS: A LONG-AWAITED FAMILY REUNION

九歲的真誠患有脊髓性肌肉萎縮症，自小生命便與醫療儀器緊緊相連。他需要24小時依賴呼吸機、透過胃造口進食，並以輪椅代步。對他而言，醫院是他度過了八個年頭的「第二個家」。

過去，他曾因嚴重肺炎多次在深切治療部接受急救，生活圈子被局限在病房內，鮮有機會與弟弟見面。然而，這個被重重醫療屏障包圍的小生命，心中卻一直深藏著一個願望——渴望在香港迪士尼樂園與家人一同慶祝生日，享受平凡的家庭溫暖。

媽媽為圓兒子願 克服護理挑戰的恐懼

一個看似簡單的願望，對真誠和家人來說，卻是前所未有的挑戰。要讓真誠步出醫院，背後的護理挑戰極其巨大。真誠媽媽勇敢地跨出第一步，尋求醫護人員的教導，學會操作一系列專業儀器：包括呼吸機、抽痰機等，最終成功克服恐懼，熟練掌握技術，親手帶領真誠走出醫院，踏上圓願之旅。

步出醫院 與家人共度難忘一天

真誠最期待的一天來到了！相隔多年，真誠終於再次與弟弟見面。兩兄弟牽著手一起在樂園遊玩、慶祝生日，這些平淡而溫馨的畫面，對真誠一家來說極其珍貴，亦是報答媽媽的最佳禮物。

Nine-year-old Chun Shing battles Spinal Muscular Atrophy (SMA), his life intimately intertwined with medical machinery since infancy. He relies on a 24-hour ventilator, receives nutrition via a gastric feeding tube, and depends entirely on a wheelchair to move around. For him, the hospital has been a "second home" where he has spent eight long years.

Having survived multiple emergency resuscitations in the Intensive Care Unit (ICU) due to severe pneumonia, his entire world was strictly confined to the hospital ward, leaving him with rare opportunities to see his younger brother. Yet, behind these heavy medical barriers, a heartfelt wish burned bright—he longed to celebrate his birthday at Hong Kong Disneyland with his family, basking in ordinary warmth.

Overcoming the Fear of Caregiving Challenges

A seemingly simple wish presented an unprecedented challenge for Chun Shing and his family. To allow him to step outside the hospital, the caregiving hurdles were immense. Chun Shing's mother bravely took the first step, seeking guidance from healthcare professionals to learn how to operate a suite of professional equipment, including the ventilator and sputum suction machine. She conquered her fears, mastered the skills, and led Chun Shing out of the hospital to embark on his Wish Journey.

An Unforgettable Day of Togetherness

The day Chun Shing had anticipated most finally arrived! After years apart, Chun Shing was finally reunited with his younger brother. Holding hands, the two brothers explored the theme park and celebrated his birthday together. These simple, heartwarming moments were profoundly precious to the family, serving as the ultimate reward for his mother's courage.

這次外出雖然不易，卻為這個走過重重難關的家庭帶來了無比珍貴的回憶。真誠媽媽感動地表示，這個願望讓她更有信心照顧兒子，**「我勇敢地踏出第一步，只為了幫助真誠實現願望，很高興最終成功帶他外出。這次的珍貴回憶，將轉化為力量，支持我們繼續復康之路」。**

While stepping out was no small feat, it gifted this resilient family a lifetime of priceless memories. Chun Shing's mother shared touchingly that this wish injected her with newfound confidence for his future care: **"I took that brave first step just to help Chun Shing realize his wish, and I am overjoyed that we successfully made it outside. These precious memories will transform into strength, supporting us all the way through our ongoing rehabilitation journey."**

我想要一部電動輪椅
I wish to have a power wheelchair

卓東 Cheuk Tung, 12, 杜興氏肌肉萎縮症
Duchenne Muscular Dystrophy

願望之前：因疾病而受限的世界

卓東患有杜氏肌營養萎縮症，隨着年歲增長、體重增加，他的肌肉日漸衰弱，手動輪椅變得越來越難以操控。日常生活的每一個簡單動作都充滿了嚴峻的挑戰。每一次出行，都成了一場體力與意志的艱苦考驗。這不僅限制了他的活動，也無形中削弱了他探索外界的信心，與家人出遊的珍貴時光變得遙不可及。

渴望自由的願望

為了打破身體的障礙，卓東希望擁有一部電動輪椅。對他而言，這絕不單是一件方便出行的交通工具，更是減輕身體負擔、保存有限體力的關鍵鑰匙。有了電動輪椅，他可以不必再把微薄的精力虛耗在費力的手動推行上，從而能夠保留更多體力，去進行自己真正喜愛的活動。這份願望，承載着一個男孩在生活的細微處重新掌握自主權、不再處處依賴他人的渴望。

走向更充實更獨立的明天

卓東說：**「未有電動輪椅之前我不太想外出，怕爸爸媽媽推著我會辛苦。現在，我終於可以駕駛電動輪椅去不同的地方，令我對自己更有信心，積極面對所有事情！」**

電動輪椅的到來，徹底改寫了他的生活質素。這部輪椅大大提升了他的行動能力，減少身體的不適，保存有限的體力。現在的他，能夠更積極地參與和家人、朋友的外出活動，甚至自信地去探索從未涉足的新地方。獲得這部電動輪椅，對卓東來說不只是獲得了便利，更是獲得了自主與獨立。這份願望的力量，將支持他帶着尊嚴與歡笑，過上更充實、更具生命力的精彩人生。

Before the Wish: A World Confined by Illness

Cheuk Tung battles Duchenne Muscular Dystrophy. As he grows older and heavier, his muscles progressively weaken, making his manual wheelchair increasingly difficult to control.

Every simple movement in daily life presents severe challenges, and every outing becomes a grueling test of physical strength and willpower. This not only restricted his activities but also subtly eroded his confidence to explore the outside world, making precious family outings feel far out of reach.

A Wish for Freedom

To break through his physical barriers, Cheuk Tung wished for a power wheelchair. To him, this was far more than just a convenient means of transportation; it was the crucial key to easing his bodily burden and conserving his limited physical strength. With a power wheelchair, he would no longer have to exhaust his meager energy on strenuous manual pushing, allowing him to save his strength for the activities he truly loves. This wish carries a young boy's deep yearning to reclaim autonomy over the finer details of his life and step away from constant dependence on others.

Embracing a Fulfilling and Autonomous Future

"Before having the power wheelchair, I didn't really want to go out because I worried my parents would tire themselves out pushing me," Cheuk Tung shared. **"Now, I can finally drive my power wheelchair to different places. It has made me much more confident and proactive in facing everything!"**

The arrival of the power wheelchair has completely transformed his quality of life. This wheelchair has vastly enhanced his mobility, reduced his physical discomfort, and preserved his limited strength. Today, he can actively participate in outings with family and friends, and even confidently explore new places.

Obtaining this power wheelchair was never just about convenience for Cheuk Tung—it was about gaining autonomy and independence. The power of this wish will support him in living a more fulfilling, vibrant life filled with dignity and smiles.

從被治癒到治癒他人：Sophie觸動人心的願望旅程

FROM BEING HEALED TO HEALING OTHERS: SOPHIE'S HEARTWARMING WISH JOURNEY

我想製作Corny Ketchy鼓勵其他人
I wish to create Corny Ketchy to encourage others

韋晴 Sophie, 9, 急性淋巴性白血病
B-Acute Lymphoblastic Leukaemia

病榻上萌芽的創意

炸熱狗公仔「Corny Ketchy」的誕生，始於香港兒童醫院的一張病床。九歲的Sophie因患上白血病，在病床上經歷艱苦的化療與藥物的副作用，令她情緒陷入低谷，最無奈的是，嚴格的飲食限制讓她不得不遠離最愛的食物——炸熱狗。

然而，醫院的白牆並沒有困住這位小女孩的創意。在最枯燥、最難熬的住院時光裡，Sophie拿起畫筆，在病床上靈機一觸，將對美食的渴望轉化為創作靈感，繪畫出造型可愛的炸熱狗公仔——「Corny Ketchy」。這隻公仔不僅陪伴她度過可怕的抗癌日子，更在畫紙上孕育出一個無私的願望：她想將公仔實體化，去鼓勵其他正在疾病中掙扎的小朋友。

以巧思抒解治療壓力

在願望團隊和義工的全力協助下，歷時一年的願望歷程正式展開。這段歷程正正陪伴Sophie走過她為期一年的治療，幫助她從治療中分散注意力。

Sophie深知治療期間的痛苦與壓抑，因此把一些作為過路人的貼心巧思放進Corny Ketchy的設計上：除了香腸配件可以分拆，還附帶代表開心、傷心和憤怒的眼睛配件，讓病童能隨時透過更換眼睛，向父母或照顧者表達難以言喻的情緒，並在低潮或因副作用感到飢餓時抱著它抒壓。

在社區傳遞願望的力量

在Sophie完成階段性治療時，Corny Ketchy亦正式誕生了！Sophie帶著Corny Ketchy重返香港兒童醫院。這次，她不再是虛弱的病人，而是自信滿滿的設計師，親手將Corny Ketchy送給曾經悉心照料她的醫護人員。願望團隊依照Sophie的意願，將這批充滿力量的公仔捐贈予香港兒童醫院、她就讀的學校及家舍，讓願望的力量在社區延續。

Creativity Born from a Hospital Bed

Diagnosed with leukemia at nine years old, Sophie endured grueling chemotherapy and strict dietary restrictions at the Hong Kong Children's Hospital, keeping her far away from her favorite food—corn dogs. Refusing to let the sterile walls confine her imagination, she channeled her longing into creative energy. In her sketchbook, a whimsical corn dog character named "Corny Ketchy" was born, blooming into a deeply selfless wish: to bring this plush toy to life to encourage other children fighting critical illnesses.

Alleviating Treatment Stress with Thoughtful Ingenuity

Supported by the Wish Team and a volunteer designer, a year-long Wish Journey provided a beautiful distraction during Sophie's 12 months of treatment. Drawing from her own experience, she infused "Corny Ketchy" with deeply empathetic details from a patient's perspective. She designed the plush with a detachable sausage and interchangeable eyes representing happiness, sadness, and anger, allowing hospitalized children to easily express their unspoken emotions to caregivers.

Spreading the Power of a Wish Across the Community

Just as Sophie reached the milestone of completing a phase of treatment, Corny Ketchy was officially born! Sophie proudly returned to the Hong Kong Children's Hospital, but this time, she was no longer a patient—she was a confident designer. With immense pride, she personally presented Corny Ketchy to the medical team who had cared for her so tenderly.

Honoring Sophie's wish, the Wish Team donated these empowering plush toys to the Hong Kong Children's Hospital, her school, and child patients' care homes, ensuring that the transformative power of her wish continues to ripple through and uplift the entire community.

"身為醫生，我親眼見證韋晴在實現願望前後的轉變，甚至將這份正能量傳遞給醫院的病童和醫護人員。這個願望亦鼓勵了整個家庭，讓他們更有信心對抗疾病，並在實現願望的過程中重拾自主。

"As a doctor, I witnessed firsthand Sophie's transformation before and after her wish was granted. She even passed this positive energy on to other young patients and the medical staff in the hospital. The wish also uplifted her entire family, giving them greater confidence to fight the illness and helping them regain a sense of control throughout the Wish Journey.

"Sophie的願望不是為了滿足自己的需求，而是想將一個訊息帶給其他同學，感染身邊的人。這個願望對於一個小朋友來說是非常難得和感動的。

"Sophie's wish wasn't about fulfilling her own desires; instead, she wanted to share a message with her classmates and inspire those around her. For such a young child, having a wish like this is incredibly rare and deeply moving.

願望之後 MY LIFE NOW

一個甜蜜願望 開啟幸福美滿人生

A SWEET WISH, A LIFETIME OF FULFILLMENT

「願望在我患病時給予我希望，讓我有目標努力康復。憑著希望實現願望的心陪我走過一個又一個的痛楚和難關。」— 2017年願望童嘉鎂
"A wish gave me hope when I was sick, giving me a clear goal to strive toward recovery. Holding onto the hope of fulfilling my wish carried me through every pain and hardship." — Wish Alum of 2017, Ka Mei

2017年，正值青春的嘉鎂不幸患上白血病。漫長而枯燥的住院治療充滿了痛楚，但一個特別的願望在她心中悄然萌芽——遠赴法國藍帶廚藝學校學習製作法式甜點。

在病房裡，嘉鎂將注意力轉化為圓夢的動力，用心搜集藍帶課程、法國景點與美食資料。正是這份對未來的熱切期盼，陪著她走過一次又一次艱辛的治療過程。

將希望化為回饋社會的力量

這個願望讓嘉鎂在法國度過了畢生難忘的旅程，透過親手學會製作精緻甜品，她收穫滿滿的感動與成就感，更深切體會到願望對病童生命的巨大影響。康復後，嘉鎂積極參與願望成真基金的活動，更擔任籌款活動的司儀，與其他病友及捐款人分享她的抗病經歷，把當初圓願的喜悅與溫暖繼續傳揚開去，憑著自身的經歷和力量，幫助更多有需要的病童。

In 2017, in the prime of her youth, Ka Mei was diagnosed with leukemia. Long, grueling hospital stays were filled with pain and monotony, but a special wish quietly blossomed in her heart: to travel to Le Cordon Bleu in France to study the art of French pastry making.

In her hospital room, Ka Mei channeled her energy into making her wish a reality, meticulously researching Le Cordon Bleu courses, local sights, and French delicacies. This eager anticipation for the future carried her through one painful treatment after another.

Turning Hope into the Power of Giving Back

Ka Mei created unforgettable memories in France that last for a lifetime. Mastering the craft of exquisite desserts with her own hands brought her a profound sense of joy and achievement, while deepening her appreciation for the transformative impact a wish has on a child fighting illness.

After her recovery, Ka Mei actively participated in Make-A-Wish Hong Kong events—even serving as an emcee at a fundraising event to share her journey with fellow patients and donors, passing on the warmth and joy she had received. Drawing from her own story and strength, she helps give more children in need the same life-changing opportunity she had.

迎來人生甜美新篇章

如今，嘉鎂將抗病時期獲得的勇氣與同理心轉化為助人的心意，成為一名家庭社工，用心守護更多有需要的家庭。儘管治療留下的後遺症——骨枯，讓她無法長時間站立，為日常生活帶來種種考驗與不便，她依然坦然面對，以堅韌不屈的精神繼續踏上人生新旅程。

今年，她更迎來了人生的另一個甜美里程碑——準備步入婚姻殿堂，建立屬於自己的溫馨家庭。閒時亦會親手炮製各式各樣的甜品，與家人分享她的學習成果。嘉鎂的故事正正詮釋了願望的深遠意義：**一個願望不單是一瞬間的感動與奇蹟，更能為孩子注入無窮力量，編織充滿希望與愛的精彩人生。**

Embracing a Sweet New Chapter in Life

Today, Ka Mei has transformed the courage and empathy forged during her illness into a dedicated career, serving as family social worker to care for families in need. Although she continues to live with avascular necrosis—a treatment side effect that prevents her from standing for long periods and impacts her daily routine—she remains resilient, facing every challenge with strength as she embraces her life journey.

This year, she marks another sweet milestone in life as she prepares to build a loving family of her own. In her spare time, she still delights in baking desserts to share the sweet fruits of her journey with her loved ones. Ka Mei's journey beautifully illustrates the profound meaning of a wish: a wish is far more than a fleeting moment of inspiration—**it injects everlasting strength into a child, weaving a life filled with hope and love.**

願望樂園種植希望計劃
Wish Planet Planting Hope in Hospital Project

此計劃獲Rusy and Purviz Shroff Charitable Foundation捐助及香港兒童醫院支持，於今年正式推行。此三年計劃透過醫院內的溫室，與病人資源中心及職業治療部合辦工作坊，融合園藝和大自然元素，致力豐富病童的康復治療體驗。

恆常服務包括一系列為病童精心設計的線上及實體工作坊，涵蓋音樂、手工創作與園藝種植活動等多元主題，藉著大自然的療癒力量啟發小朋友勇敢面對病情和逆境。願望團隊每星期探訪住院病童，傳遞快樂與希望，並鼓勵合資格病童開啟願望歷程。

計劃亦透過照顧者工作坊將影響力延伸至醫護人員，讓他們親身體驗園藝與互動工作坊的成效，同時為他們提供喘息空間，並掌握與病童相處的實用技巧。

The three-year project was launched this year with a donation from the Rusy and Purviz Shroff Charitable Foundation, supported by HKCH. Through the hospital's Greenhouse, the project integrates horticultural elements to enrich the therapeutic journeys of child patients in collaboration with Patient Resource Centre and Occupational Therapy Department.

Regular services include a series of carefully designed online and face-to-face workshops that seamlessly blend planting activities with expressive themes such as music, arts and crafts, inspiring children with the courage to face illness and adversity through the healing power of nature. Wish Team brings joy and hope to patients through weekly ward visits and encourage every eligible child to apply for a wish.

The project extended its impact to healthcare professionals through carer workshops, which provided staff with firsthand experience in horticultural and interactive workshops, brought moments of respite, while delivering practical skills to enhance patient engagement.

凝聚義工力量 一起與病童同行

VOLUNTEER SERVICES BRING VOLUNTEERS TOGETHER TO WALK WITH WISH CHILDREN

願望從不憑空降臨，而是由無數 WishMaker 的愛心匯聚而成。站在最前線與病童並肩同行的義工 Imen、Kathleen及LingLing，在服務中見證了生命交織的淚水與歡笑。作為Wish Granter，他們積極參與各項服務，從願望捕捉至實現願望，全程陪伴願望童創造改寫生命的願望歷程。

A Wish doesn't just happen by magic, it is built by the hearts of every WishMaker coming together. Walking on the front lines alongside the young patients, volunteers Imen, Kathleen and LingLing have witnessed countless moments of tears and laughter throughout their service. As dedicated Wish Granters, they actively involved in every facet of our services, from Wish Catching and Wish Design to Wish Day, accompanying Wish Children every step of the way to create a truly life-changing Wish Journey.

願望能為病童注入希望與力量，而願望團隊的目標，就是透過精心的『願望設計』，將這份力量發揮到極致。每次看到身邊的義工夥伴為了設計一個願望而費盡心思、全力以赴，都會深深激勵著我，讓自己加倍努力與投入，為小朋友實現願望。

Wishes infuse child patients with hope and strength, and our goal is to maximize this impact through thoughtful Wish Design. Every time I see my fellow volunteers pouring their hearts and minds into crafting a wish, it deeply inspires me to take a step further and dedicate myself fully to making these children's wishes come true.

能夠陪伴小朋友一步步實現願望，親身感受他們與家人的那份喜悅，對我而言是一段極其深刻且難忘的經歷。看著他們的笑容，這份感動就是作為義工最溫暖、最珍貴的收穫。

很多人以為是我們在幫助病童家庭，但對我來說，其實是他們在幫助我。每當我在工作或生活感到勞累時，想起他們面對困境的勇氣，看見他們實現願望的笑容，我就會發現眼前的問題其實很渺小。這份勇氣，反而成為了我前行的力量。

While we are here to support these families, they are often the ones supporting me. In my moments of exhaustion, their courage and smiles put everything into perspective. They remind me that no obstacle is too big, and their bravery becomes my own fuel to move forward.

衷心感謝Imen、Ling Ling、Kathleen 以及所有義工，您們無私的奉獻，讓每一個願望歷程更臻完美，為願望童帶來溫暖與力量。

你的捐贈，將化作永恆的禮物，為重病兒童送上改變生命的願望。

Leaving a legacy is a powerful way to carry your values forward and leave a lasting impact for generations to come.

(i) Making a Will: Partner with Forevergift to plan your bequest. Beyond monetary donations, you may also bequeath properties, shares or bonds to ensure your legacy continues to inspire hope.
(ii) Policy Giving: Dedicate just 1% of your life insurance coverage to Make-A-Wish Hong Kong. Simply contact your insurance agent to add "Make-A-Wish Foundation of Hong Kong Limited" as a designated beneficiary.

Your legacy will help grant life-changing wishes for children with critical illnesses, turning compassion into a gift that never fades.
